### You should also:

- ✓ Check your portable radio and battery-operated lights & flashlights
- ✓ Monitor Weather Broadcasts for current conditions and advisories from local emergency management officials (us)
- ✓ Rotate food supplies every six months
- ✓ If you seek shelter elsewhere (evacuate), be sure to post a prominent note telling where you've gone
- ✓ Provide for your pets, especially if you evacuate

**Note:** This list is not intended to be all-inclusive.

You must decide what supplies are best suited for your family's survival. This list contains only suggestions for your consideration.
